**MEMORANDUM FOR: Executive Director-Comptroller****SUBJECT : Observers at Executive Interchange Program  
Briefing on 28 March 1972**

1. Following your suggestion that a few key senior officers of the Agency be invited to attend the Brookings Conferences and the upcoming Executive Interchange Program Briefing as observers, we would like to propose that Mr. Angus Thuermer, Assistant to the Director, and [REDACTED] 25X1 be invited to attend the Executive Interchange Briefing scheduled for 28 March 1972.

2. At the personal request of Mr. Joseph McCullen, Executive Director of the President's Commission on Personnel Interchange, the total number of participants in the briefing has been increased to 32 by the addition of Mr. E. Z. Million, a member of last year's Interchange group still with the Program. Mr. Million's sponsoring firm is Computer Congenerics of Oklahoma City, Oklahoma and he is currently assigned to the Department of the Air Force. Security clearance has already been granted for Mr. Million to attend the briefing. Included in the total number of participants are Mr. McCullen and his Deputy, Mr. Neil A. Stein.

3. In sending us the list of participants for security clearances the sponsoring firms and current affiliations of two of the group were omitted. These were Mr. Frederick E. Hammer of the Star Manufacturing Company of Oklahoma, now with the Department of the Air Force and Mr. James G. Sak, Dow Chemical, currently assigned to the Department of Commerce.
